If a selected entrant does not comply with the Contest Rules or Regulations, or does not reply within 72 hours of being contacted by a Manulife Representative, or fails to correctly answer the mathematical skill-testing question, Manulife reserves the right to declare the entrant ineligible and to select another entrant for that prize.

Any failure of a winner to sign and return all required declarations and releases within 14 days of receipt or attempted delivery thereof will result in forfeiture of the prize and the awarding of it to an alternate entrant.

The skill-testing question will be administered by a Manulife representative during a pre-arranged telephone interview. All decisions of the Manulife Representative administering the skill-testing question, or his or her designate, shall be final.

Further information concerning the prizes and how to claim them will be delivered to the winners by courier within two weeks of successfully answering the skill-testing question.
